I study Interactive Media at TAMK in Tampere, and alongside my studies I edit longform episodes, shorts and reels for two online channels, working to deadlines with the hosts.

Experience

Video Editor & Co-producer · Imole Candid
07/2026 – Present · YouTube channel on studying and living in Finland · Tampere

- Edited every video since the channel launched in July 2026: 16 longform episodes, about one a week, and 22 Shorts.
- Channel passed 200 subscribers in its first three months, and its most-watched episode reached 2,500 views.
- Edit the channel's longform episodes end to end in DaVinci Resolve: rough cut, punch-ins, motion graphics, sound effects, music and final mix.

Video Editor · BridgeDGap
08/2026 – Present · Faith-based relationships channel on Instagram · Remote

- Edit vertical reels and teachings with captions and on-brand graphics, and clean and level dialogue to streaming loudness (−14 LUFS).

Event Crew (casual) · Eventtec
On call · Tampere

- Help tear down event setups when the crew needs extra hands: about four events so far, working to the team's schedule.

Skills

Tools: computers and creative software, DaVinci Resolve, Figma
